

AIM FOR CHANGE

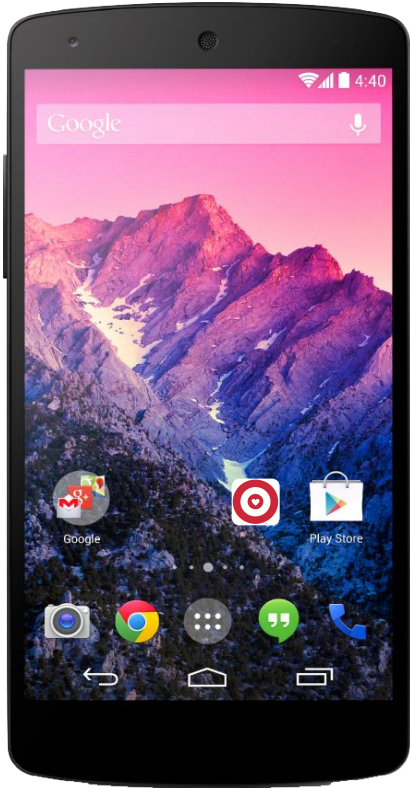

AIM for Change is a friendly, nation-wide competition that builds communities by encouraging volunteerism.

App Goals:

- Build Communities
- Promote Volunteering with Customers
- Compete on a Local and National Scale
- FUN!

Why an app?

- Easy access via mobile phone
- Simple buttons
- Inspired by Cartwheel

What we want to be able to implement:

- Google Maps API
- Social Media Integration
- Interface For Stores

Obstacles:

- Web Server
- Time Constraints
- API familiarity with Android Integration
- New Languages/Tools
